

Chris Rand

Candidate for
LaGrange Town Council

"The issues that accompany recent changes regarding rampant development, increasing traffic and taxes will affect us for years to come.

*Solutions to these problems
need action NOW!*

I believe that government works better when there are varying viewpoints. For too long, LaGrange has had a one voice, one viewpoint, and one party government. I pledge to be an independent voice for LaGrange."

Ed McCormick

Candidate for County Legislature

"LaGrange is a wonderful and caring community. We will however be challenged by economic sprawl and burdensome tax policies that will impact our ability to maintain the rural character of our community in the future. Consequently, I believe that we will need to build community consensus that address issues with clarity and create a vision based on compassion and purpose. I would like to contribute to this effort. And it is for this reason that I am running for county legislature. IT IS TIME!"

Eileen Mang

Candidate for LaGrange Town Clerk

"These past few weeks I have met so many wonderful residents who have taken the time to talk to me about why I am running for office. I have spoken of my qualifications and experience. I have run a positive and sincere campaign and I ask for your support based on what I can offer the residents in LaGrange rather than what my opponents cannot. I now ask you to put your faith in me when you vote on November 6th. It's time for a change in LaGrange."

John Colacchia

Candidate for
LaGrange Town Council

"I care deeply about the environment and would protect it from excessive development while encouraging growth. I will advocate for responsible spending and work hard to eliminate waste. The La Grange Town Council should be open and accountable to the people. On November 6th I hope that you will elect me to represent your interests."
